

## **Option of electronic invoicing**

Dear Sir or Madam,

We are pleased to inform you that we are now able to provide electronic invoicing.

The advantages of this service:

- Saving time due to direct email dispatch and simple forwarding to the relevant department
- Saving money due to the reduction in the need for handling, administration and archiving
- We would all be contributing to saving the environment

How does the service function?

The invoice document (all types of invoice included) would be emailed to you as a pdf file as a replacement for the previously sent paper invoices.

If you would like to take advantage of this service please sign and complete the following consent form and return it to us (via fax: +49 9621 371 120 / via email: <u>verkauf@deprag.de</u> / via post: see below contact details).

We look forward to your response,
